

Fire Safe Council

Timeline

February 2025

Volunteered with Greg to look into starting a FSC for Pacific Beach

April 2025

Met with Susan Redelings (Normal Heights Fire Safe Council) to learn about their group and the process

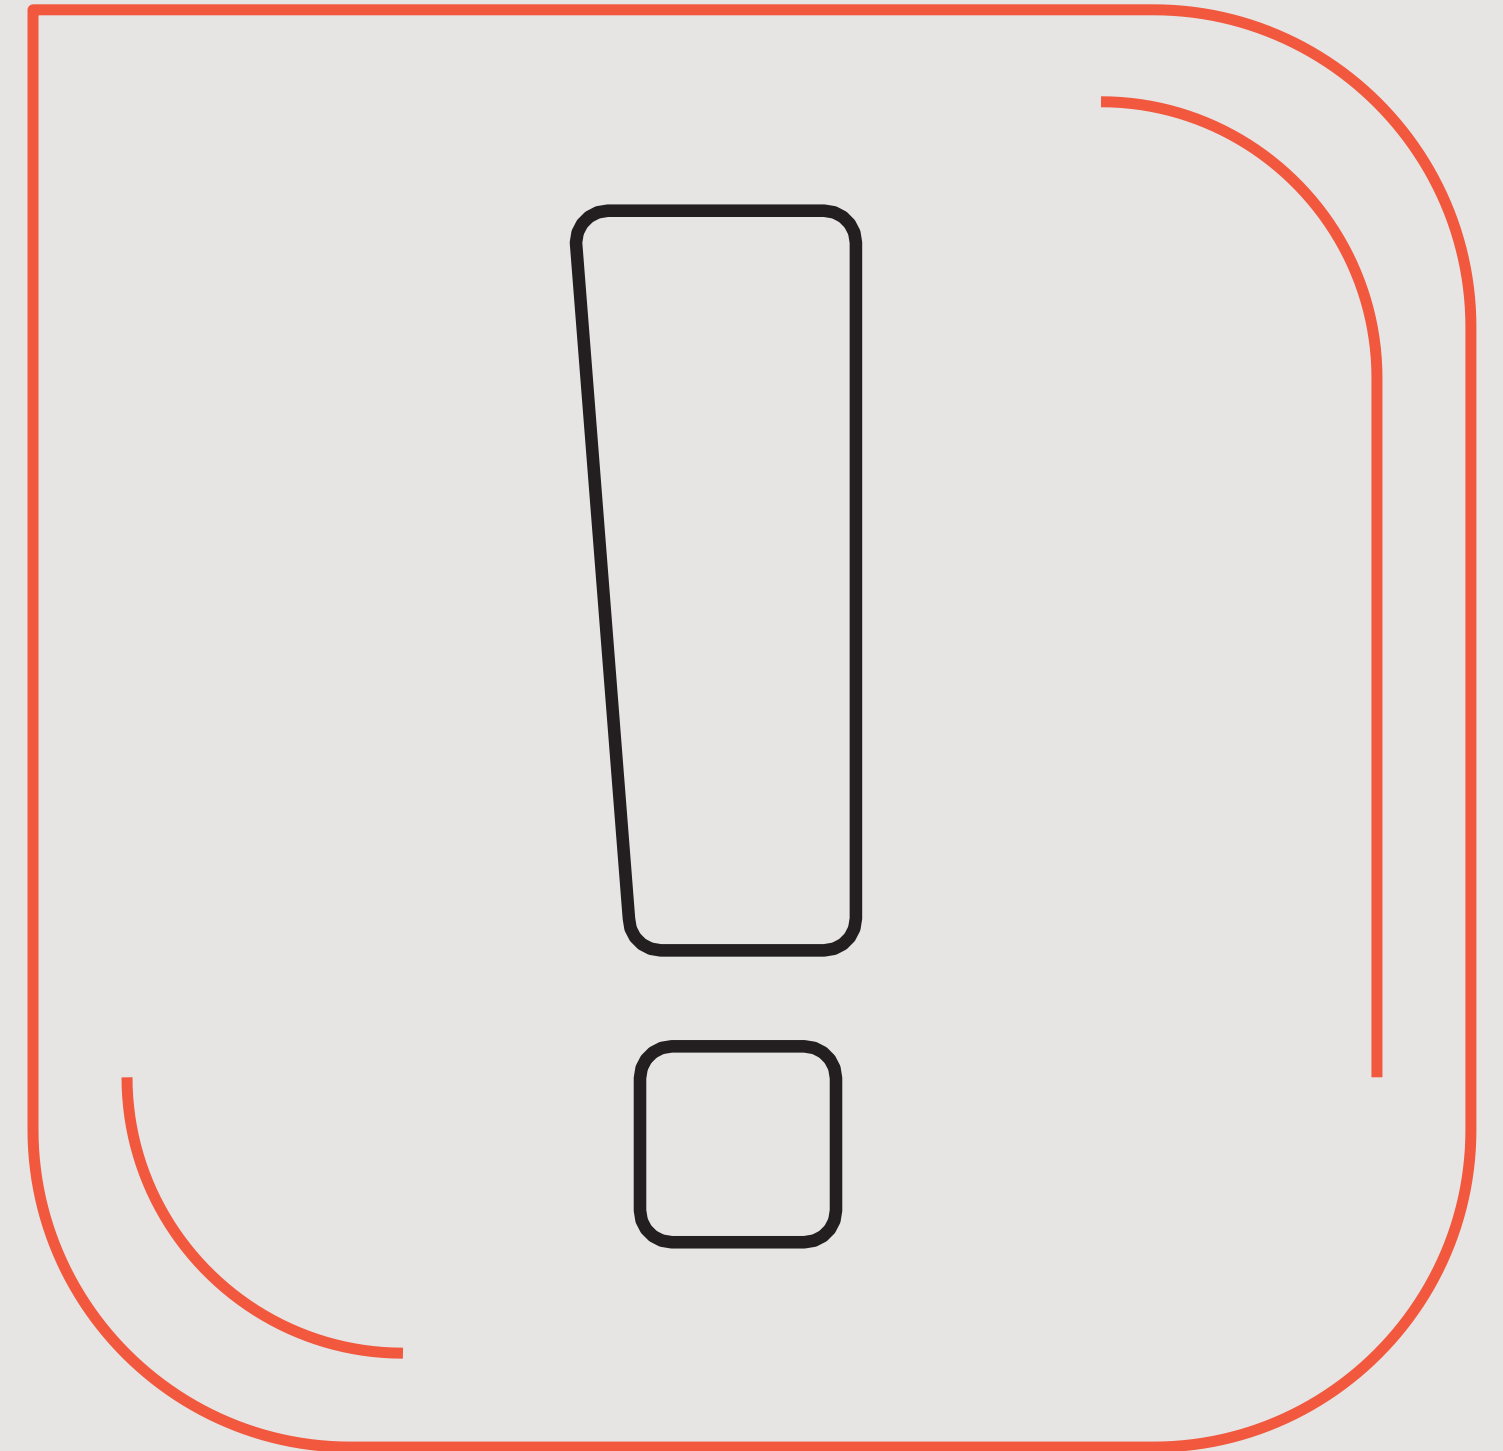

July 2025

Met with Heather Cady (Resource Conservation District of Greater San Diego) for materials and guidance

What is a Fire Safe Council?

The Fire Safe Council of San Diego county is a non-profit entity dedicated to fire safety awareness/preparedness, and managing fire hazards.

Local Fire Safe Councils are the grass roots organizations that can implement homeowner education and fuel reduction programs to ensure community protection.

Forming a **FSC**

Pacific Beach Fire Safe Council

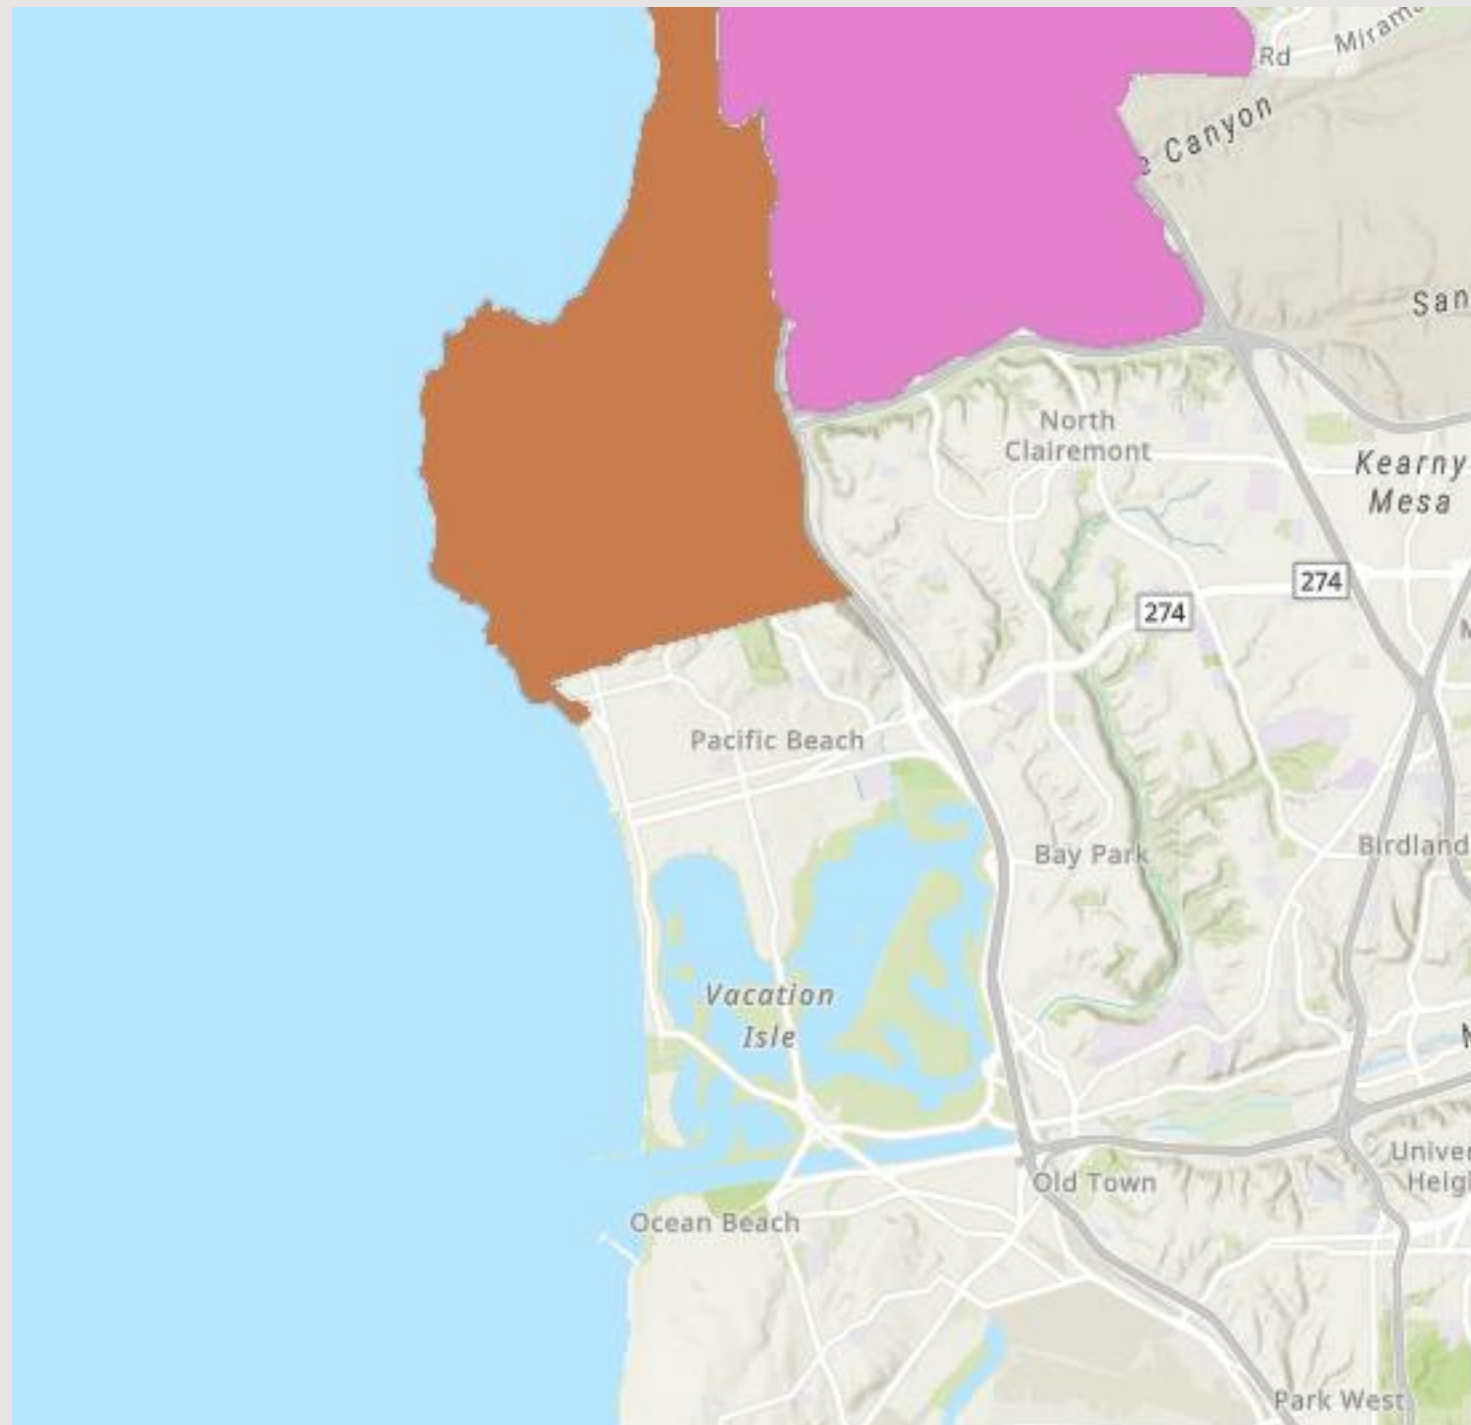

Minimum of 4 Board Members (no composition requirements)

- Board Chair signs a Memorandum of Understanding with FSCSD

- Supply FSC Boundary map

- Create unique to PB logo with the FSC green triangle (they provided logo guide)

Boundary Map

Current FSC Map of our Area

CalFire Fire Hazard Severity Zone Map

Recommendations

- Form FSC as a Subcommittee of PBPG

or

- Form an FSC as a joint effort with PB Town Council & Beautiful PB

or

- Form as a separate entity with volunteers from the community
