The City Council may also prescribe conditions under which official recognition may be reinstated.

Community Participation & Representation Plan

As required for Planning Group Recognition by Terms and Conditions,

Exhibit B of Council Policy 600-24

The Pacific Beach Community Planning Group (“Planning Group”) is committed to engaging a broad and diverse cross-section of our community members in monthly meetings and to electing Planning Group members who are representative of the community and community interests, including, but not limited to renters, youth, people with disabilities, and intergenerational households. Soliciting and obtaining broad input on projects and initiatives is critical to the success of our Planning Groups to serve as a recognized advisory body to the City.

The goal of this participation and representation plan is to communicate the PBPG’s goals, guiding principles for outreach and communication, and a strategy for meaningful, ongoing engagement. Our plan is crafted to reflect the unique demographics and characteristics of our community.

Our overarching Goals:

- Educate community members about the role of our Planning Group and opportunities for involvement.
- Establish partnerships with non-profits, community organizations, businesses, schools/universities and government organizations to build relationships and trust with the community.
- Increase and diversify participation in monthly Planning Group meetings and decision-making.
- Communicate about our CPG’s work and goals in simple, easy-to-understand language that is accessible for anyone regardless of their background in or knowledge of community planning.
- Obtain meaningful input from a broad range of community members on land use matters (e.g. General Plan and Community Plan Amendments, Community Plan Updates, project reviews, and other land use matters referred to them by the City).
- Be proactive in listening to community needs and effectively communicating these to the City.

Guiding Principles for Public Participation

- Provide all meeting information necessary to encourage community members to participate in a simple and accessible manner.
- Communicate in ways that are inclusive, transparent and respectful.
- Consistently share information with community members using a variety of methods (See Appendix A - Public Participation Tools).
- Make meeting materials available in the languages spoken within the community. Please see Census data for Community Plan Area (CPA) provided by SANDAG’s Data Surfer website.
- Ensure a safe, accessible meeting space.
- Be respectful of people’s opinions and time. Consider establishing grounds rules for dialogue or codes of conduct like those from the American Bar Association and the National Conflict Resolution Center

Strategies for Community Involvement

- 1) Website: The Pacific Beach Planning Group maintains its own website, PBplanning.org, which not only has monthly meeting agenda with date, location, and time. It also resources for other non- profit groups with websites, PB community plan, bylaws, election forms and other public notices. Presentations such as the Terminal One update are put on site for review. And a contact form to obtain community information is monitored by the Chairperson.
- 2) Local Locations such as PB Library: Meetings are located at the Pacific Beach local library and are open to all. Flyers posted regarding meeting times and election candidacy and polling times at the Library and Recreation Center. Future plans are to post at transit sites and schools if possible.
- 3) Relationship with community joint meetings and surveys taken: We plan on continuing joint “Town Hall” meetings on relevant topics of interest to the entire community.

The PB Town Council and the PBPG have held 2 joint “Town Hall” meetings in 2022-23. Examples were with the Diamond slow street and our recent Capital Improvement Plan (CIP) process input. For details, please see PB Planning Group’s application. Newspaper Articles on relevant topics and interest: As example: <https://sdnews.com/joint-meeting-between-pbtc-and-pbpg-focuses-on-traffic-safety/>

- 4) Partnerships with other local community boards where we share results of meetings and potential new projects in PB:
 - Pacific Beach Town Council
 - Discover Pacific Beach
 - Pacific Beach Parking District
 - Beautiful Pacific Beach
- 5) Presence at other community group events:
 - 1) Discover PB’s BeachFest with a tent. We provide information on what the Community Planning Groups do and achieve to people walking of the boardwalk in Pacific Beach. Recruit public to meetings and to elections.
 - 2) Pacific Beach Town Council
Concerts on the Green in Kate Sessions Park on Community night annually with an information booth.

Measuring Success

- Monitor month-over-month and year-over-year meeting attendance, number of voters in elections, type and frequency of outreach efforts, change in composition of voting members as evidenced in annual surveys, etc.
- Success should also be qualitatively measured by the intentional efforts made to bring in community members that have historically faced barriers to participation in Planning Groups.
- Document information in annual report and submit to the City via email: SDPlanningGroups@sandiego.gov within 14 days of the approval of the March
