It appears the city expected each community to make itself aware of the proposed plan without soliciting directly.
MOTION: To support Beautiful PB effort to modify the Bike Master Plan to align with PB Pathways and request a city representative to come and receive community input. David/Scott 11-0-1
- Item 10: 8:00 **ACTION: PB Major Street Repairs Needed** Chris Bonilla Several locations on Grand Ave. and Garnet Ave. show by City analysis that they are in serious need of resurfacing. At the same time other side streets are being resurfaced. No repairs since 2016. **MOTION:** Grand and Garnet should take repair precedence over less traveled side streets Scott/John 10-0-1
- Item 11: 8:17 **Information: Traffic Issues at the foot of Garnet.** Eve Anderson U-turns, handicap parking space, illegal parking, the 710 Club streeter, Crystal Pier vehicle access and the boardwalk pedestrian traffic are combining to create serious danger. The PBPG needs to study what might be done in the way of signage and marking the street and potentially removing the streeter to make this area safer.
